**Re: 3<sup>rd</sup> Avenue South Channel Bank Stabilization Project  
DDC P/N 13.13773E**

Dear Mr. Adair:

Bids were taken for the 3<sup>rd</sup> Avenue South Channel Bank Stabilization project on Friday, April 04, 2014 at 10:00 am at the Town of Surfside Beach Conference Room. Three (3) bids were received for the project. The bids have been evaluated for completeness and mathematical errors. Tim's Construction Service, Inc. had the low bid of \$79,995.00. Although they have mathematical errors, the project was bid as a lump sum contract and the bottom line number governs.

It is the recommendation of DDC Engineers, Inc. that the project be awarded to Tim's Construction Service Inc. The Bid Tab has been attached for your review.

If you have any questions or need any additional information, please let us know.

Sincerely,  
**DDC ENGINEERS, INC.**

Eric K. Sanford, PE, CPSWQ  
Principal – Director of Municipal Services
