

SURFSIDE BEACH POLICE DEPARTMENT

MEMORANDUM

TO: Jim Duckett, Town Administrator

FROM: Mike Frederick, Chief of Police

DATE: 10 MAY 2011

RE: Jail Video Award Request

CC: Micki Fellner, Deputy Town Administrator

.....

As you know, 20 APR 2011 was the RFP closure date attendant to our jail video project. At 1415 on that date, Becky Small and I retrieved the bid proposals from Town hall staff and opened them in the conference room. My announcement in the lobby of Town Hall located only two bidders who had arrived to witness the opening- Greg Weissman of Security Vision and Chuck Farman of Simplex Grinnell.

The table below summarizes the bidders as received, with our requested award vendor highlighted:

VENDOR	BUSINESS LOCATION	BID AMOUNT	WITHIN SBPD BUDGET?
Alarm Control	Ladson, SC	\$10,999.00	No
A-Services Group	Conway, SC	\$5,794.92	Yes
Charleston Systems	Mt. Pleasant, SC	\$6,743.00	Yes
Communication Management	Myrtle Beach, SC	\$5,751.20	Yes
Excalibur Electronics	Myrtle Beach, SC	\$8,207.94	Yes
I-SYS Corp	North Charleston, SC	\$28, 871.00	No
LSA Security	Alpine, CA	\$6,300.00	Yes
Montgomery Technology Systems	Greenville, AL	\$32,650.00	No
Myrtle Beach Communications	Myrtle Beach, SC	\$7,478.21	Yes
Security Pro	Lexington, SC	\$6,537.42	Yes
Security Vision	Myrtle Beach, SC	\$14,000.00	No
Simplex Grinnell	Myrtle Beach, SC	\$22,354.00	No
Technology Solutions	North Charleston, SC	\$8,785.93	Yes

CPT Miller reviewed all of the specifications, and per Ms. Fellner's request also met with our IT contractor to review the hardware / networking aspects of the proposals as submitted. Their review resulted in the requested rejection of the lowest bid, and our request that the project be

SURFSIDE BEACH POLICE DEPARTMENT

awarded to A-Services Group (Conway, SC). I've attached Miller's memo to me regarding the review, and concur with his findings.

I've also attached the cover sheets from each bid for your bid file. The full contents of each bid are at our office; let me know if you need those (or copies of any of the contents). We'll maintain those until the award is complete and you authorize us to destroy them.

Please contact me should you need any additional information and we'll get it to you. The A-Services Group representative indicated that their work could begin in approximately one week, which would allow us to close this project out prior to the end of the fiscal year to avoid additional work for Finance in regard to invoicing and closing out our FY10-11 budget.

Re: Video Surveillance Program

.....

David Hostettler and I have reviewed the bids submitted for the jail video surveillance project. There were a total of 13 bids received. Five (5) were over the program budget and one (1) was not consistent with minimum specifications; this left 7 eligible bids.

After careful consideration, I recommend we award the bid to A Services Group of Conway, SC. They were the 2nd lowest bid submitted. The lowest priced vendor, Communications Management, was only \$43.72 less expensive. According to David Hostettler, this vendor quoted less superior camera equipment and there were questions about the DRV quoted.

I have checked several of ASG's references; all were favorable. I have also spoken with 2 members of the staff. They perform the installation and the maintenance of equipment and provide a 3 year warranty on not only the DVR but on all equipment. Communications Management only provided a 3 year warranty on the DVR. ASG has a local office in Conway, putting support close at hand. They also feature 24-hour support via phone and can start the program within a week.

The quoted cost for the project is **\$5,794.92**

At this price, there should be plenty of funds available for related expenses (monitors, computer, etc).
