**BID RESULTS-DEPARTMENT OF PUBLIC WORKS**

**PURCHASE OF KNUCKLEBOOM TRUCK  
(NEW CAB AND CHASSIS WITH HYDRAULIC DUMP  
& HYDRAULIC OPERATED KNUCKLEBOOM LOADER)**

To: Micki Fellner, Interim Town Administrator  
From: John Adair, Director of Public Works  
Subj: Bid Results - #PW 10-001  
Date: 7/1/2010

Specified bid opening was held at Town Hall on 6/24/2010, at 10:00 AM. Present from the Town were John Adair, Director DPW, and Joan Saleem, Executive Assistant. Last call was given at 10:00 AM, and the bids were opened. Two companies presented dual bids in their packages. The following bids were received:

1-	Amick Equipment	\$114,180.05
1A-	Amick Equipment	\$114,155.05
2-	Palfleet Truck Equip. Co.	\$139,569.00
3-	Columbia Truck Center	\$116,569.00
3A-	Columbia Truck Center	\$106,583.00
4-	Public Works Equip. & Supply	\$113,862.00
5-	Virginia Public Works Equip.	\$123,774.00

The proceeding ended at 10:08 AM, and all parties present were advised that the Department of Public Works would review all bids for specification adherence, and that the Town reserves the right to accept or reject any bids for any reason, based on its needs.

After careful review and consideration of criteria items detailed in Section III of the instructions to bidders; "Basis of Bid Award", the decision has been finalized to purchase:

4-	<b>Public Works Equipment &amp; Supply</b>	<b>\$113,862.00</b>
	<b>(plus optional manual tarp system)</b>	<b>\$900.00</b>
	<b>Total Delivered Price</b>	<b>\$114,762.00</b>

Low bid 3A was not chosen due to their failure to meet minimum bid specifications on 26 separate points and the travel distance involved to obtain vehicle service.

Respectfully Submitted,

John Adair, Director of Public Works
