COMMITTEE REPORTS:

There is no Yard of the Month for January.

All Committee reports projects as ongoing.

OLD BUSINESS:

Iain Gray volunteered the use of his driveway as a staging area to prepare the hanging baskets. Due to a lack of plants at this time of year, the hanging baskets will not be refreshed right now. When plants are available, the current baskets will be refreshed and the summer baskets will be done in May. We also need to check on liability issues when working on the baskets.

The litter/sea turtle awareness project was discussed. Refrigerator magnets were discussed as being used in rentals to raise awareness.

A report of accomplishments for 2014 from each committee member should be sent to Nancy Jo Webber.

A discussion was held about the Branding and Signage in Surfside Beach. The three areas of signage are Welcome, Way Finding, and Child Location. It was decided that we need to give options with the three distinct areas of signage with the cost for each area. This would be presented to Council in March.

NEW BUSINESS:

Linda Woodlief was selected as the secretary for KSSB. Jenn Cribb will serve as alternate when Linda is unable to attend the meeting.

A discussion was held regarding maple and palm trees on Surfside Drive. Our Clemson certified committee liaison and Iain Gray will look into what might be making these trees look unhealthy.

It was reported that the response to the Adopt A Beach program is woefully low. We need to add this information to the web page and give detailed explanations as to what is expected from volunteers.

We discussed exploring having a booth at the next Surfside Beach town function where we can explain KSSB to the public and recruit volunteers. Surfsidians.com could also be used to recruit volunteers and to provide awareness of ongoing activities.

KSBB will next meet on 2/18/15 at 1:00 at the Firehouse.

Motion to adjourn made by Dora Eaddy at 1:57 o'clock. All voted in favor. Motion Carried
