Shelby Smith representing the Senior Center on 10th Ave N. He is a Volunteer Coordinator and Gardener for the center. Has direct contact with the Director of the County owned building, Ray Fontaine. The lot is Surfside Beach owned and leased to the county for a nominal fee. Shelby is looking for help and volunteers to improve the center's grounds. Presently they get donations from Lowes and Thompson Stone and Marble. Timeline for garden work is April, but immediate needs are Tools: rakes and shovels, a new hose nozzle, fix of existing blower, and a new shed. The county gives a \$75 budget for Spring and Fall Flowers. Gail King also representing the Senior Citizen Committee brought a schematic of the property. Gail King added to WhatsApp

Diana Taylor suggest new flags for town hall as current flags are tattered and fraying.

Welcome to Bernie. Newest member. Discussed ways to best communicate with him as he cannot get WhatsApp on his phone.
