## REMOVAL OF PARKING METERS FROM THE WEST SIDE OF OCEAN BLVD AT THE INTERSECTIONS

Presently there have been numerous complaints about limited sight at intersections on Ocean Blvd because of the parking of vehicles at the meters located at the corners. To remedy this situation, the parking community recommends removing the parking meters from the following locations. This will benefit all, including permanent residents, second homeowners, tourists renting homes in the legal weekly rental zone in Surfside Beach and day trippers, because of increased line of sight when trying to turn onto Ocean Blvd. Since there are numerous other parking meters on Ocean Blvd, along with multiple parking lots, this should have no negative impact on revenue or available parking spaces.

The following are the locations of the meters to be removed. All are on the west side of Ocean Blvd.
