

Planning for Incapacity

Are you concerned about taking care of a loved one? Do you or a relative suffer from medical conditions which may ultimately require the need of assistance? Learn some of the least restrictive alternatives to guardianship for adults with Intellectual Disabilities and/or Diminished Capacity.

This presentation given by an attorney from South Carolina Legal Services will discuss the following topics:

- Alternatives for care-givers and family
- Supported decision making
- Empower yourself for the future
- Legal process for Guardianship
