This is a notice to all residents living on Lake Shore Drive.

Re: Trash and Recycling Receptacle Placement Information.

Please be advised that **effective Monday, September 8, 2014** residents residing on the **east side of Lake Shore Drive (odd # houses)** will be required to **place trash carts (Monday service) and recycle carts (Thursday service) on the west side of the street for collection.**

This change applies to cart services only. Yard debris and bulk items may still be placed in front of your residence for collection.

Please feel free to contact Public Works at 843-913-6360 or via email at publicworks@surfsidebeach.org if you have any questions/concerns.

Thank you for your time and attention.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Adair", is written over the printed name.
