Decision Paper

June 20, 2016

Written by: Debra Herrmann

1. **SUBJECT:** Second Reading of Ordinance #17-0846
2. **PURPOSE:** Amend Section 12-67, Paragraph (C) iv Exceptions in Ordinance #17-0842 to clarify what shading devices are allowed on the beach beginning at 8th Avenue South southwards to Melody Lane, and Paragraph (D) to clarify what is allowed beginning January 1, 2018
3. **ASSUMPTIONS:** Town Council desires the ordinance to be clearly stated and enforceable
4. **FACTS:**
 - a. Ordinance #17-0842 to amend obstructions on the beach was adopted at the April 23, 2017 regular meeting, because of beach erosion on the south end
 - b. An approved motion to amend stated that 'beginning immediately tents shall be prohibited from 8th Avenue South southwards to Melody Lane'
 - c. Because 'tents' and 'canopies' are technically different shading devices, the public has argued that canopies are allowed
 - d. Several complaints were received because the public refused to remove canopies, therefore, staff recommends an amendment to clearly state what beach shading devices *are allowed* instead of what is prohibited
 - e. The proposed ordinance corrects the language for the tent prohibition beginning January 2018 in addition to the immediate prohibition from 8th Avenue South southwards to Melody Lane
 - f. First reading was adopted without amendment at the June 13, 2017 regular meeting
 - g. Councilmember Samples requested that paragraph (C)ii restricting the placement of tents to no closer than 10-feet to another tent be eliminated from the ordinance.
5. **IMPACT OF SUCCESS OR FAILURE:**

Success will be achieved by eliminating tents, canopies, and other such shading devices on the beach beginning at 8th Avenue South southwards to Melody Lane for the remainder of this season and ensure that in the future there will be no misunderstanding about what is allowed

Failure will result in canopies continuing to be placed upon the beach for the remainder of this season and the town will have no authority to require removal
6. **RECOMMENDATION: Motion to adopt second reading of Ordinance #17-0846 as presented**
7. **RATIONALE FOR RECOMMENDATION:** The town is trying to protect what beach remains on the south end of town, and also provide room for residents and tourists alike to enjoy the beach. The amendment to begin immediately prohibiting tents on the south end was approved unanimously by Town Council. It is assumed that the intention was to prohibit all such shading devices, but the motion to amend did not include that specific language so it could not be included in the exception. Clarifying what shading devices are allowed versus those that are prohibited should eliminate enforcement issues.
