CALL TO ORDER. Mayor Childs called the workshop to order at 6:00 p.m. Mayor Childs, Mayor Pro Tempore Ott, and Councilmembers Courtney, Johnson, Pellegrino, Samples and Stevens were in attendance. A quorum was present. Others present: Town Clerk Herrmann.

Council Discussions – Council concurred to schedule the workshop at the February 27th meeting. The meeting package to which the pages are referenced is on file. Topics mentioned over the past several months include:

- **Term Limits, TOSB Section 2-18, page 1 of 13.** Mr. Stevens suggested that all mayors be limited to one term, but had nothing to add, although he presented the topic at a recent council meeting. Mr. Johnson said that every election establishes a term limit. Mayor Childs and Ms. Samples agreed with Mr. Johnson.

- **Council and Mayor’s Pay – TOSB Section 2-20, page 2 of 13.** After a lengthy discussion, Council CONCURRED council salary shall remain unchanged, but an ordinance will be presented for consideration at the March 13th regular meeting to increase the mayor’s pay to the amount recommended in 2006, i.e. $9,600.

- **Forms of Government – TOSB Section 2-1 and SC Code Chapters 5 and 11.** After discussion, Council CONCURRED that the Council form of government was the best for our town.

- **Election Filing Fees – TOSB Chapter 5, Section 5-31(3), page 3 of 8 (fees have not increased since the town was established.)** After lengthy discussion, during which the residency requirements; election costs and various types of elections were discussed, Council CONCURRED to consider an ordinance to increase filing fees to $75 for councilmembers and $100 for mayors and to increase the residency requirement to three years.

- **Time of meetings – TOSB Section 2-36, pages 4 of 13 and following.**
  - (d) Meetings on Election Day. Would Town Council like to consider changing the wording to state that when “town elections” fall on meetings days? Changing the day to Monday is confusing for many of our citizens, and the meetings would not interfere with the election process. After discussion, Council CONCURRED that the regular meeting time should remain on the 2nd and 4th Tuesdays, [except only the 1st Tuesday in December,] at 6:30 p.m. and that meetings scheduled on Tuesday Election Days shall be moved to Monday, the day before.

- **Council Rules of Order**
  - Signing documents – no existing statute, policy or procedure. After a lengthy discussion, Council concurred to sign documents prior to leaving meetings.
  - Addressing the council – TOSB Section 2-40, page 7 of 13. No changes.
  - Staying on topic. **Be respectful of topic and time.**
- Robert’s Rules of Order, Newly Revised. A lengthy discussion was held regarding the need for training for newly elected officials. Municipal Association Field Representative Bill Taylor provides a package of information that includes “How to Conduct Effective Meetings,” and “Handbook for Elected Official” and the clerk provides basic parliamentary rules along with other codes that apply to the council. Council CONCURRED to have a link to Roberts Rules of Order on the town’s website.

- Parliamentarian, TOSB Section 2-51, page 9 of 13 and following. Currently the administrator is tasked with parliamentary duties. A discussion was held regarding having an attorney attend meetings, but it would be expensive. There have been times when counsel was needed, but an attorney was not present. Council relies on the clerk for many parliamentary rulings. That is unfair, because she works for council. Support was expressed to have an attorney at meetings who has municipal experience. To have an attorney attend all the meetings that occurred during the last year would have cost $33,000. The question was raised about bringing an attorney to meetings or making conferences calls for meetings that include a topic with legal ramifications. Council CONCURRED to ask the town administrator to research this.

Whether or not to hire a deputy administrator will have to be addressed during the budget process. If not, then those funds could be used for an attorney.

- Clarifying codes setting agenda – TOSB page 5 of 13 and following.

- Authority to add items to the agenda; various agenda types; business or discussion. Since 2012, the practice has been to bring new matters for discussion to determine whether council is interested in the matter as a business item. Town Code was amended by Ordinance #14-0781 to add Section 2-139(b)(9) Town Council Discussion, which provides a platform for members to bring topics forward.

The Town Code states that agenda items must be submitted to the clerk by 5:00 p.m. on Wednesday prior to the meetings. However, it has been customary to allow councilmembers to add an item to the agenda on Thursday or even Friday, if the agenda has not been published. Council deserves the right to add a last minute topic, even though that technically does not comply with the code. Once the agenda is published, the Freedom of Information Act requires that an amended agenda be published 24-hours in advance of the meeting. If that timeframe cannot be met, and the item requires action by council, then a two-thirds majority vote is required to add the item. The code timeframe was established to ensure timely delivery of information to the clerk so the packages could be delivered to councilmembers. Councilmembers supported the discussion section of the agenda, and that discussion was to be held before an item was presented for action. Creating the agenda has always been a problem. The current system seems to work. This code was adopted prior to the new FOIA Act.

- Mayor Pro Tem Election, Section 2-46, page 8 of 13 and following

– State Code - should be elected by Town Council, after discussion Council CONCURRED to revert to the State prescribed code stating that the mayor pro tempore is to be elected by the council*

  - if the elected mayor pro tempore is the candidate with highest number of votes in the most recent election, then it is recommended that the term should be the second two years of office, this discussion is moot based on the previous concurrence*
• “Appearance of Citizens” – the language implies that speakers are at the meeting “recognized by
the moderator,” page 11 of 13. Do you want speakers only to speak for themselves (no third party
comments or readings?) After discussion, Council CONCURRED that the current speaking
times should be kept; speakers should speak for themselves or an organization they
represent, and written statements from third parties should be delivered to the council.

• Any other matters relating to Town Council that members wish to discuss

Mr. Pellegrino said the pier meeting should be held as soon as possible, and then as soon as that is
over, another budget meeting should be scheduled to consider budget items. Mayor Childs said Mr. Adair
is working to get the meeting scheduled quickly. Mr. Ott said there were two other projects coming
forward from the infrastructure committee. Ms. Herrmann asked if council would be willing to meet on
Friday night or Saturday for the pier meeting, if that was when all those involved could meet. Council
CONCURRED to meet whenever the meeting was scheduled. Ms. Herrmann said Mr. Adair would be
informed to help expedite getting the meeting scheduled. Ms. Samples agreed that a budget meeting
should be scheduled after the pier meeting.

Mayor Childs declared the workshop adjourned at 7:13 p.m.
