Resolution #15-154

To Support Horry County 2015 Solid Waste Authority Management Plan

WHEREAS, the South Carolina Solid Waste Policy and Management Act of 1991 (the Act) established a policy promoting reduction, re-use, and recycling of solid waste before landfilling or incineration; and

WHEREAS, the Act established the following goals:

- Encourage research by state agencies and state-supported educational institutions and private entities into the reduction of solid waste generated;
- Encourage a regional approach to solid waste management;
- Reduce the amount of solid waste received at municipal solid waste landfills and incinerators by 40 percent, calculated by weight. No more than 50 percent of this goal may be met by removal of yard trash, land-clearing debris, white goods, construction and demolition debris, and waste tires from the municipal solid waste stream;
- Continue to set new and revised goals every three years;
- Recycle at least 40 percent, calculated by weight, of the total waste stream generated. No more than 40 percent of this goal may be met by removal of yard trash and land-clearing debris from the waste stream. Waste reduction from incineration may not account for more than 50 percent of a solid waste landfill's effort toward the 40 percent reduction goal;
- That each county or region make every effort to meet, individually, the state's solid waste reduction and recycling goals. And that each county or region, and municipalities located therein, will be eligible for specific bonus grants; and

WHEREAS, pursuant to the Act, each county or region must prepare a solid waste management plan and submit to the South Carolina Department of Health and Environmental Control.

WHEREAS, the Act requires that each county create a Solid Waste Advisory Council to render advice on the preparation of the local solid waste management plan and on methods of implementing the plan; and

WHEREAS, the Horry County Solid Waste Advisory Council was duly established pursuant to the Act and has performed the duties and carried out its responsibilities as required; and

WHEREAS, the Act requires that each county or region must ensure that all local governments participate in the preparation and implementation of the plan; and

WHEREAS, the Horry County Solid Waste Authority, Inc., working in concert with the Horry County Solid Waste Advisory Council, has updated the 2011 Horry County Solid Waste Management Plan; and

WHEREAS, pursuant to the Act, sufficient and adequate opportunity has been afforded the county and local municipalities to participate in the preparation of updating plan; and

WHEREAS, the county and local municipalities join in the efforts of the Horry County Solid Waste Authority and the Solid Waste Advisory Council in updating the 2011 Horry County Solid Waste Management Plan.

NOW, THEREFORE, BE IT RESOLVED that the Town Council of Surfside Beach, South Carolina, by duly approved motion made in a regular meeting hereby endorses the updated 2011 Horry County Solid Waste Management Plan as created by the Horry County Solid Waste Authority, Inc., with advice from the Horry County Solid Waste Advisory Council; and
